

Wetta 8034 Brass Impact Sprinkler, 3/4" Male

Suitable for a large range of crops on centre pivots, solid set or side roll systems. Solid brass construction with stainless steel pins. Wide body allows for high flow. Integrated vane straighteners for better distribution and wind resistance. Suitable for cereals, trees, vegetables and potatoes.

Wetta 8034 Features:

- High water distribution with spacing to 18m
- Dual nozzles to improve water distribution
- High quality brass
- Vein straighteners for greater range
- Large body for high flows

8034 Performance Table

Single Nozzle
